To Our Visitors...

Welcome Home to EKKLESIA. We are ecstatic that you decided to worship with us today and would love to get to know you a little better and learn how best to serve you. Please complete the **visitor card** provided by our greeter, who will collect them before dismissal. Again, thank you for worshipping our great God with us today, and we hope to see you soon!

"From Recycled to Redeemed"

**— “Therefore, if anyone is in Christ, the new creation has come: —
The old has gone, the new is here!” (2 Corinthians 5:17, NLT)**

Have you ever looked at something you thought was useless—an old bag, a broken object—and felt tempted to throw it away? But then you stop and think, "This still has purpose. It just needs to be reused."

- "I Am That Bag"

"We are the clay, and You are the potter; we are all the work of Your hand." (Isaiah 64:8, NLT)

- "Return to the Source"

"Return to the Lord your God, for He is gracious and merciful." (Joel 2:13, NLT)

- "Repurposed for His Glory"

"For we are God's masterpiece. He has created us anew in Christ Jesus, so we can do the good things He planned for us long ago." (Ephesians 2:10, NLT)

- "Purpose in Progress"

"He who began a good work in you will carry it on to completion until the day of Christ Jesus." (Philippians 1:6, NLT)

Why is Today's Word purposed for me?

What benefit can I be to God and others after hearing this Word?

How can I encourage others who may be going through?

God is our source, and His Word reminds us that when we give, it will be given back to us—pressed down, shaken together, and running over. As we sow in faith today, we trust in His promise to bless us 100-fold, meeting every need and overflowing with His goodness. Amen.
